The second living room since 1903

For over 120 years, friends, acquaintances, or business partners have been meeting in our street café. Or as we Viennese say, our second living room. Here, you can experience the renowned Viennese coffeehouse culture - which, by the way, was added to the list of intangible UNESCO cultural heritage in November 2011. In a traditional atmosphere, you will find everything that has made the Viennese coffeehouse world-famous: coffee specialities, the most important domestic and foreign newspaper, refined Viennese cuisine, daily fresh homemade pastries and of course, a glass of water with your coffee.
We wish you an enjoyable stay.
